ANOTHER SUCCESSFUL TRIP

by

Herbert W. Armstrong

Greetings from our home in the sky, 7 1/2 miles above the Mediterranean Sea, homeward bound after a strenuous and extraordinarily successful trip.

On Thursday October 23, we had a luncheon in London with the ministers from the London area. Sabbath the 25th I preached to the brethren of the London area. Unfortunately they did not receive the live televised transmission of the last Great Day at the end of the Feast of Tabernacles, and the ministers had requested I bring them that message. More than a thousand brethren were present, including a delegation from the Continent.

The following Monday night, October 27, I spoke for some 40 minutes to a large banquet in Cairo of some 300 leading people of Egypt. I felt that I was "right on target" that night, and they heard the Gospel of the Kingdom--and the world rule in PEACE--living the way of God's spiritual Law, outflowing LOVE instead of hostile competition.

Two men there from New York had read my ads in the Wall Street Journal. They were in the investment business, and in affluent financial condition. They liked the Wall Street Journal ads--but disagreed with my speech--especially what I said about outflowing LOVE doing away with hostile competition. The "GET" way of life had profited them, and they disagreed that this world is full of evils. It's a pretty good world, they told Mr. Rader. They love this world as it is. I'm afraid that all the rest of us on earth are out-of-step, except just those two SATISFIED men!

We flew to Jerusalem from Cairo. Ours was the first flight from Cairo airport to Jerusalem airport since the seven-day war--a definite FIRST. Other planes now can fly from Cairo to Tel Aviv, but not to Jerusalem.

On Saturday night, October 25, by the way, I talked from London to the a.m. Sabbath service at Pasadena. It is my understanding that though I spoke to them live, it was recorded at Pasadena and replayed at the afternoon service.

Then on Saturday night, November 1, I spoke from Jerusalem live again to the Pasadena auditorium congregations.

On Thursday, October 30, I spoke at a banquet hosted by the Mayor of Jerusalem, Teddy Kollek, and on Sunday, November 2, we had a performance at the Arabor Old City side of Jerusalem of the ICCY youths, staged by

both Arab and Israeli youths and children. A little 9-year-old Arab girl did a very cute belly dance. I renewed acquaintance with many of our friends in Jerusalem.

On Monday, November 3, I had a very warm and profitable meeting with Prime Minister Menachem Begin in his office in Jerusalem. Accompanying me was Mr. Rader, Mayor Kollek and former Los Angeles Consul General Ravid. Mr. Begin left a meeting with a group of officials in Tel Aviv, taking the hour drive to Jerusalem for the meeting with me, and then drove back to Tel Aviv, keeping the officials there waiting a solid 2 1/2 hours during their interrupted meeting.

When it was mentioned that he had made this special drive, interrupting an important group meeting, he said, "Mr. Armstrong, I would get out of bed at two in the morning to see you." He was pleased that I plan to put his picture on the front cover of both The PLAIN TRUTH and QUEST/81, with President Sadat of Egypt, and a leading cover story about them and their peace effort in each magazine. Our meeting ended in a real affectionate bear hug.

On Thursday of the same week, Mr. Rader and I had luncheon with King Leopold III of Belgium and his wife in their chateau home near Waterloo.

Sabbath, last week, the 8th, we had a Bible study in our hotel suite, going through Daniel 2, 7, and Revelation 13 and 17. The Sabbath before, in Jerusalem, we had a Bible Study on John 18th and 19th chapters about the trial, crucifixion and burial of Christ, because our party had been in Jerusalem and had visited the garden tomb where Jesus was buried-- also seeing the exact spot where He was crucified.

On Sabbath evening, in Paris where we were waiting while seeing King Leopold and before returning to Cairo to see President Sadat, I spoke live again--this time to the New York Church at their Sabbath afternoon service. That, too, was recorded and possibly may be heard from tape at Pasadena and elsewhere.

Then Sunday we returned to Cairo for the visit with President Anwar el-Sadat. Originally our meeting had been scheduled for our first visit there, but due to the visit of the President of Israel, and the fact President Sadat wanted a full visit with me because of the forthcoming articles in The PLAIN TRUTH and QUEST/81, he rescheduled our meeting for yesterday, Tuesday the 11th.

It was possibly the best meeting I have had with a Head of State-- unless it was the meeting with Prime Minister Begin.

Our TV crew were with us for these visits, and these meetings will be shown on U.S. television, as well as in our churches.

We are now descending for a one-night stop over in Paris--because it is simply too long and fatiguing a flight from Cairo to the U.S. West Coast. Continue tomorrow.....

I am now home in Tucson. We had a brief overnight rest in Paris, leaving yesterday, Thursday, at about 11:40 a.m., arriving Tucson about 3:30 a.m. this morning Paris time, which was 6:30 p.m. last night here.

My meeting with President Sadat was Tuesday, November 11th, the 62nd anniversary of the end of World War I--and how well I can remember that day of jubilant, almost riotous celebration.

The President was giving a speech on national television from a large auditorium on the ground floor of a large 12-story office building. We arrived at this building--Mr. Rader and I--about 11:45 a.m. We were taken to a lounge adjoining an executive office on a top floor. We waited about 30 minutes. Then we were ushered into the office where the TV set was on. President Sadat was ending his speech to the nation in the auditorium below. Then came a graduation ceremony. The occasion was an annual meeting of the Teachers' Union. Apparently Mr. Sadat's speech had been the speech at a graduation exercise. Then came presentation of diplomas or degrees, each shaking hands with the President.

Then we proceeded down to the parking lot in front of the building and entered an official car behind a Cadillac ambulance which apparently follows the President's car wherever he goes by car. After about 40 minutes Dr. Hatem, the President's close personal adviser, came out and joined us in our car. Soon the President's cavalcade started. Crowds on the sidewalks were gathered to wave at the President. We were part of the President's cavalcade and were driven to Giza Palace.

The President had preceded us into the Palace. The First Lady, Mrs. Sadat, met us on the portico outside the entrance, and escorted me in, and into a special reception room. There our own TV crew, as well as official government TV camera crews, had set all TV lights and cameras focused on the seats where the President and I were to sit.

We had to wait about 20 minutes or so. Already in the Palace was a group of U.S. congressmen waiting to see the President.

The First Lady entertained us while we were waiting and she and I were photographed together. She is a very attractive, cultured, intelligent woman with good personality--a gracious host.

When the President was ready to enter, she left the reception room. The cameras clicked as Mr. Rader, Mr. Gotoh, Dr. Hatem and I met the President. Then he and I sat in corner chairs very close together for the TV cameras.

President Sadat is building at the base of Mt. Sinai a PEACE CENTER, to cost \$70 million. It will be emblematic of peace between nations and religions. He showed us a photograph of the architect's rendering picturing the Center. It is a beautiful walled complex and inside are three main buildings--a Mosque, a Synagogue, and a Church--symbolizing cooperation and peace between the three religions.

All three regard Moses as a prophet and all look to the same God, though the Islam religion calls Him by the name Allah.

A very short walk from this complex will be erected a modern tourist hotel.

I caught the vision immediately and will write feature articles--cover stories--for both QUEST/81 and The PLAIN TRUTH, showing pictures

of both Prime Minister Begin and President Sadat on the front covers.

It was atop this mountain nearly 3,000 years ago that God gave HIS LAW--the WAY to PEACE--on the stone tablets to Moses.

The Ambassador Foundation has pledged, through myself and Mr. Rader, a gift of \$1 million in ten annual installments toward this Center for WORLD PEACE. I signed the check for \$100,000 as the first installment and handed it to President Sadat. This matches, or partly matches, what we have done in Israel the past 12 years.

This will give us a great deal of valuable publicity over the world as working for WORLD PEACE, and open more doors for proclaiming the WAY to Peace--the WAY of God's Law, and the coming Kingdom of God.

Things like this open a door NOT OPEN to the religions of this world, or their leaders.

I know that our meeting with Mr. Sadat, just like that with Mr. Begin, was altogether DIFFERENT than any meeting--IF they ever granted one--with other religious leaders--or, for that matter, different than their meetings with press representatives or men of official standing from other nations. Our meetings are WARM, and even the Spirit of God is felt there.

Mr. Rader asked questions as to a statement Mr. Sadat would like to make to the American people, what he thought of the new changeover in the U.S. presidency, etc., and I talked further about GOD'S LAW, as the WAY to world peace--and the difference between the ways of life of "GIVE" and "GET." As Mr. Gotoh said in the car as we were leaving, "You certainly preached to him the true Gospel!"

Our meeting ended in a semi-bear hug, with deep-felt affection. I said I'd like a photograph with him on one side and Mr. Begin on the other, and Mr. Sadat said he would too, and perhaps we may be able to. Mr. Begin asked me to give his warmest greetings to President Sadat which I did.

Both these Middle East leaders know I am planning to feature a cover story on both of them, and both are exceedingly pleased.

All in all, it somehow seems that God has blessed this trip by making it the most successful so far.

A PERSECUTED BUT FAITHFUL
SERVANT OF CHRIST

by Herbert W. Armstrong

This is a long overdue tribute. A leader among us has been misjudged --maligned--persecuted and character-assassinated. It's time I speak up.

Brethren, sometimes I think we are poor judges. God says to us, "Know ye not that we shall judge angels? How much more things that pertain to this life?" (I Cor. 6:3.)

The following verse says we should set them to judge who are least esteemed. Yet it has been some of those MOST esteemed, in highest positions, who have flagrantly MISjudged, indulged in character assassination and deliberate persecution. It's time I should speak out and I shall delay no longer!

God teaches, "Render therefore to all their dues,...honor to whom honor" is due (Rom. 13:7).

Yet it was those most esteemed (not only by us but by themselves as well) who sat in condemning judgment, persecuting one who has proved a faithful servant.

But I hasten to add the condemners and persecutors are mostly no longer even members of God's Church. Perhaps what I am about to say is one of the sad reasons.

These were also those--and some were of evangelist and vice-presidential rank--whom I frequently found it difficult to contact by phone in their offices. They usually arrived at the office an hour or more late. If I called at 11 a.m., a secretary would say sweetly, "I'm sorry, but Mr. _____ has gone to lunch." If I called at 1:20 he would not be back yet from lunch. If I called at 4:45 in the afternoon the same sweet secretarial voice would say, "Mr. _____ is gone for the day."

One or two of these men had to have the largest desks at headquarters while I carried on the chief executive's work from a tiny cubbyhole of an office too small for a man's smallest desk, over a small woman's boudoir table.

Yes, when I think back, "those were the days!" Some young men with fairly recent college degrees were real important "BIG EXECUTIVES"--in their own estimation. Sometimes I thought the only real work they ever did was spend time wondering whether Mr. Armstrong was working hard enough! What a shame--they are no longer with us! But the WORK is really getting done, today!

We do have men on the salary rolls at Pasadena today who arrive on time at the office in the morning, do not leave until 12 noon or 5 in the afternoon, and take only one hour for lunch. They do what is required of them.

Then we have some whom I may usually find at the office before 8 in the morning, will be working there through most of the hour between 12 and 1 p.m., and often will still be there at work after 6 in the evening if I chance to need to telephone them. They will usually be there at work Sundays also.

I am reminded of how Jesus was teaching His future apostles one time. He said, "So likewise ye, when ye shall have done all those things which are commanded you, say, 'We are UNprofitable servants: we have done that which was our duty to do'" (Luke 17:10).

In other words, Jesus says that if we do ALL that is our duty--ALL that is required--we are still UNprofitable servants. The profitable servant does more! He thinks! He thinks about his job--his duty--and he sees extra things that need to be done--and he does them, even on extra time! He doesn't watch the clock. It is not ONLY how many hours he puts in--he does what needs to be done even if it takes many extra hours. He isn't thinking about how many hours he gets paid for--but the great job God has for us to do, and what falls within his jurisdiction regardless if it takes "extra hours without extra pay." And he doesn't try to take over the "Boss's" job.

I think that our executive and office people at Pasadena do not shirk their duty, and we have men who do far and away more than their duty. They do measure up to Jesus' standard of being faithful servants of Jesus Christ.

If I should need to call Mr. Joseph Tkach at 5:30 or 6 p.m., I can often be pretty sure he will still be working in his office. The same for Dr. Kessler. And usually on Sundays.

On the present trip with me--I am writing on my European and Middle East trip--are two of our younger elders--though both are married, one with children--Kevin and Aaron Dean. They really do work--with enthusiasm. They are stewards on the aircraft, and both have important ministerial jobs at Pasadena when not flying. They do far more than their duty--from the heart!

Beside many other responsibilities, I am now asking Mr. Kevin Dean to take over direction of the Y.O.U. and Y.E.S. They are close to the youths of the Church, and serve greatly in that area of the Work.

Almost 54 years ago the HEAD of God's Church--the living Jesus Christ --called me to be God's begotten son and Christ's Apostle. At the time, I studied and went into deep research to learn of Him, often studying until 1 or 2 a.m. and starting early in the morning. I have never watched the clock--except to keep appointments. In my 89th year I still work at all hours of day or night. When traveling, I work at makeshift desks or tables too high for my typewriter, having to find sofa cushions or something to pad up the chair seat so I can work at my typewriter.

God started the Work of the Philadelphia era of His Church through me in a tiny one-room, 36-seat country school house. Often I have had to work with improper facilities--but the main thing was to get the Work DONE!

Through the years God has given me--called to assist me--many people. This started about 1935 with a woman secretary half time, then a full-time secretary, then gradually more and more.

Some whom Christ has given me to help have really been PROFITABLE SERVANTS--they have done far more than their duty!

One of these was Mr. Stanley R. Rader. He saw that our accounting system was crude and totally inadequate. I hired him on a fee basis and he set up for us one of the most sophisticated accounting systems in any institution or corporation. He was already a CPA (Certified Public Accountant), but he added to his UCLA degree by enrolling in the Law School of the University of Southern California and graduated with highest grades on record. Yale and Harvard Law Schools wanted him on their faculties. But he had begun to catch the vision of God's great Work--and I think he not only liked us, but liked me personally--and he stayed on with us.

After a while I asked him to come with us full time. He did. God had given him an active, brilliant mind--and he used it.

He improved himself. Soon he not only knew all about law, legal matters and accounting, but business administration and finance.

I myself had been the advertising representative in Chicago of the nine principal journals read by bank executives, from age 23 through 30, but my mind had developed in the advertising and writing and psychology areas. I had no connection with banking nor reason to enhance my knowledge in the field of finance. But Mr. Rader did. Soon he convinced the second largest bank on the West Coast that we were a good and solid financial risk.

Through investment bankers Mr. Rader got us adequate financing, into millions of dollars, for the new building program of the college at Pasadena--then also for Bricket Wood, England, and Big Sandy, Texas.

Twice I was able to borrow a million dollars cash of the largest bank in Philadelphia, on my own signature--WITHOUT SECURITY! But it was Mr. Rader who arranged it. All I had to do was meet top bank officials at a luncheon in Philadelphia--for they wanted to see me personally before they risked that much money on me--but Mr. Rader had given them confidence in me and the Church. Incidentally, all loans were paid back on time.

When I started taking advantage of the door Jesus Christ was opening before me, by being invited to visit kings, emperors, presidents and prime ministers all over the world, frankly I could not have carried this responsibility on had not Mr. Rader accompanied me in all these private meetings. Together we have undoubtedly had private meetings with more heads of governments than any other man on earth. I did not see them to try to convert them--but to win their confidence and friendship SO THEY WOULD OPEN THE DOORS FOR US TO PROCLAIM CHRIST'S GOSPEL WITHIN THEIR

COUNTRIES TO THEIR PEOPLE! Mr. Rader knew just how to talk to them in terms of world governments, world conditions, and of course I know the world condition, its causes--and together we have been able to talk to the leaders of these many nations in their own language and win their confidence and friendship.

Without Mr. Rader I simply could not have carried on this very important worldwide Work. And in all, he has not in any manner tried to take my place, nor belittle me as some other men who have had evangelist and vice-president rank have tried to do--to push themselves into the top seat in God's Work. Christ had not called those men for that position, or they would be in it!

But some of them--men NOT IN THE CHURCH ANY LONGER--did everything in their power to character-assassinate Mr. Rader--to speak evil of him FOR NO REASON--to persecute him--to GET RID OF HIM!

Now I have said, if they KNOW some evil about Mr. Rader, why not come right out with it, charge him with it, and PROVE IT? THEY NEVER DID! Why did they turn many against Mr. Rader? What BAD thing has he done? They have never been able to say specifically. They just wanted you to THINK he is bad--NO REASON except they wanted you to believe so.

God says "Speak evil of no man!" They have broken that commandment without reason!

Now when these men, wanting the top position for themselves and jealous of and fearing Mr. Rader, started defaming him, HOW ARE YOU TO KNOW? They wanted you to think Mr. Rader was BAD--ought to be gotten rid of! Should YOU believe them? How could you KNOW? How do you avoid MISjudging?

Jesus said, "By their FRUITS shall ye KNOW! Not guess or MISjudge--but shall KNOW! I look at their underhanded propoganda AGAINST him--in which THEY NEVER ONCE TOLD YOU WHAT he had done that was wrong--never came out openly with any specific accusation--they just wanted you to THINK--because they said so--that he is somehow BAD and I ought to get rid of him--and they did plot to get rid of him--but they NEVER SAID WHY --there was no specific thing of which they could accuse!

But what did I do? I LOOKED AT THE FRUITS--at his performance--AND A L L G O O D !

So I kept Mr. Rader on--but THEY are no longer with us! I looked at their fruits too! And not only were their fruits bad, but by Jesus' definition, they were UNprofitable servants!

Mr. Rader has been touring the world with me, helping me take Christ's Gospel into many nations, and helping plan for me to speak to many large audiences and important groups high in government and in business, including many Rotary Clubs, Lion's Clubs, Kiwanis, and JCs, and others.

When we began these travels--and arduous travels they have been--Mr. Rader began to use spare moments in learning to read and speak and understand French. Today he has an excellent French vocabulary and can converse in it, write in it, read it like a native Frenchman.

But now one thing more. Mr. Rader has also been studying the Bible and learning from me. I don't mean I spend all my time teaching him or he spends all his time listening to my teaching. But he does have an alert, quick and active mind--he's certainly "all A student" caliber and much more, for he's much more than just a student or scholar. But he has a brilliant mind--he grasps and understands quickly--he THINKS! He makes the most of his time.

But does he do what is required of him? Apply that test of Jesus. If he does what is expected--what is required--and no more, then he would be an UNprofitable servant. But he does far, far more! He will work at any hour of the day or night. When at Pasadena, he usually is the first one at the office in the morning.

Let me tell you what inspired this long overdue tribute. I am writing this in Paris, November 5, the day after the U.S. Presidential elections--a Wednesday. We are to have another meeting with King Leopold III tomorrow.

On Monday, with the Mayor of Jerusalem, Teddy Kollek, he and I had a half-hour private meeting with Prime Minister Begin in Jerusalem. I flew over to Paris in our G-II plane yesterday, Tuesday. But Mr. Rader insisted on getting up at 4 a.m. yesterday morning to catch an early commercial plane flight to Paris--and WHY? Just to arrive in Paris about 4 hours ahead of me to be sure to arrange personally for my hotel accommodations--getting me the best and taking a smaller room for himself. He could just as well have slept until 7 and had a more comfortable flight with me. It was not his DUTY--not required of him--but he wanted to be sure I would be comfortable.

That is just one example. Things like that have happened HUNDREDS OF TIMES. He is always doing far more than required--far more than duty--going all out for the Work--for helping me carry out Christ's Great Commission.

One of the greatest doors opened to us in recent years--or all time--is the fact the Wall Street Journal has been willing to accept my campaign of FULL-PAGE advertising MESSAGES proclaiming the Gospel to the great and near-great of America IN THEIR OWN LANGUAGE! It was Mr. Rader's unique and special abilities that Christ utilized in OPENING THAT IMPORTANT DOOR! He is of GREAT help to me in ideas for these messages.

But when the State of California launched its civil lawsuit against God's Church, then, if ever, were Mr. Rader's services necessary to God's Church and His Work.

Mr. Rader's accusers wanted to "cave in" and let the political government of MAN take over and operate--AND DESTROY--the GOVERNMENT OF GOD! The only place on earth the Government of God is being administered today is in the Worldwide Church of GOD! SATAN hates the Government of God. God set him (when he was the super-cherub Lucifer) on the THRONE OF THE EARTH to administer the GOVERNMENT OF GOD. He rebelled! He destroyed the Government of God ON EARTH! He still sits on that THRONE of the earth as the invisible and powerful god of this world! He tried to destroy the Christ child! He tried to destroy (spiritually) Jesus just before He began His earthly ministry at age about 30.

Jesus Christ has already RESTORED that Government of GOD on earth in a limited degree through THIS CHURCH!

When Adam fell before Satan and rejected the Government of God, God said to Adam, in effect: "Adam, you are the father of the WHOLE WORLD-- who shall be born generation after generation from YOU. You have rejected for yourself AND for your FAMILY (the whole world) my Government. So GO, form your own human governments. You and your children will be swayed and led by Satan in the kind of governments you will form. They will really be SATAN'S governments--NOT MINE!"

And so, look at the governments in this world. There has been autocracy, imperialism, republicanism, democracy, communism, fascism. All Satan's governments. Actually, whether we like to admit it or not, the government of California is part of that Satanic system. Satan controls it. SATAN USED IT TO DESTROY THE GOVERNMENT OF GOD which Jesus Christ restored to a very limited part of this earth through the Worldwide Church of God.

Look at the national government of the U.S. President Carter suffered AGONY in a landslide defeat. Ronald Reagan enjoyed ECSTASY! But his OPPONENT whom he had fought, and who fought against him, calling him a warmonger, had to suffer AGONY. That's the way it is in Satan's world. One ENJOYS the exhilaration of winning only by causing his antagonist to SUFFER AGONY. But four years ago Jimmy Carter enjoyed ECSTASY. Did he have sympathetic pains because Gerald Ford then suffered AGONY? Of course not!

Satan's government from Rome sought to put Jesus to death. Jesus DID NOT HAVE TO SUBMIT because He did no wrong. He WOULD NOT have submitted, either--except for YOU--and ME! He only submitted in order to take the penalty of your sins and mine on Himself and pay that penalty FOR US in our stead!

Paul was arrested. They wanted to try him before a kangaroo court in Jerusalem, where he would automatically have been FALSELY judged "guilty." Paul DID NOT SUBMIT. He appealed to Caesar at Rome. We did not submit. We appealed to the California Supreme Court and were on our way up to that court when the California Legislature debated on passing a bill NULLIFYING the law on which the Attorney General was going to DESTROY God's Church and God's Government!

We did not get into the politics of that legislature bill--directly. But I wrote ads--FULL-PAGE NEWSPAPER ADS--and Mr. Rader got them in Sacramento newspapers--and Mr. Rader went to Sacramento and went on TALK SHOWS on TV and radio, going to the public about our case--and we know all this did have some influence in the California lawmaking body RESCINDING the law on which the Attorney General based his whole unconstitutional case falsely against God's Church.

Those ministers then at the TOP, who wanted to "cave in" and go with Satan in DESTROYING the Government and the Church of GOD are no longer in the Church. God showed me definitely what He wanted me to do. I FIRED the top two men who pleaded with me with raised voices to "cave in"--and I excommunicated them from the Church of GOD!

You have NO IDEA how tirelessly Mr. Rader worked to SAVE THE CHURCH--to preserve God's Government in the Church and on earth--as a limited government over His Church ONLY until Christ comes to RESTORE GOD'S GOVERNMENT over the whole earth!

THIS WAS OF SUPREME IMPORTANCE TO GOD!

Mr. Rader, whom they maligned and persecuted, was used by GOD to preserve His CHURCH, and to DELIVER His Church from the clutches of Satan.

He is not the only one in God's Work doing MORE than required--but NO ONE in the Work goes farther, in striving to go ALL OUT completely beyond normal required performance to GET THE JOB DONE!

I know many of our field ministers are by Jesus' same definition good and "profitable servants." God will bless and reward all of you. But I think none has had to suffer such vilification from within the Church--by men in high position--even if those men are no longer even themselves IN the Church. And none can have gone farther to do far BEYOND what is normally required.

This tribute is long overdue. Yet I write it not so much as a tribute as to SET MATTERS STRAIGHT FOR THE BENEFIT OF ALL YOU WHO HAVE BEEN MISLED BY SUCH UNFOUNDED AND SATANIC PERSECUTION. I know all such injustice and persecution actually is aroused by Satan, but men ought to have known better than to have been misled into such an evil thing. I want to set the record straight! I love Stanley Rader very deeply, and I want you all to love and respect him, for he has deserved it!

DATELINE CAIRO: MR. ARMSTRONG MEETS EGYPT'S ANWAR SADAT

Mr. Herbert Armstrong and Mr. Stanley Rader were received today (Nov. 11) by President Anwar Sadat in Cairo at the Giza Residential Palace.

During the televised audience Mr. Armstrong explored the problems of the Middle East with President Sadat. The President's comments will be aired around the United States in a special televised program sponsored by the Worldwide Church of God.

Mr. Armstrong, who is also Chairman of the Ambassador International Cultural Foundation, was invited by President Sadat to join with him in the President's Mt. Sinai World Peace Project--a project which enters in a multifaith complex.

Mr. Armstrong and Mr. Rader pledged one million dollars to the President and Mr. Armstrong presented the President, with the Foundation, an initial \$100,000 contribution.
