## U.S.A. Riding to Total Collapse in 20 Short Years!

**Here are the naked FACTS that ought to astonish  
and shock you into immediate action.**

**by Herbert W. Armstrong**

**Y**OU'RE GOING to be *shocked* to read what goes on *undercover* in the United States. Five major vices threaten the *total collapse* of our country inside of 20 years. The handwriting is on the wall of America, now!

### Lifting the LID Off Vice

Five major vices are combining to bring America to *total collapse*, to a fall greater than that of ancient Rome, because we are now *more WEALTHY, more POWERFUL* than ancient Rome—and the bigger they come, the harder they fall.

Now I use the word "undercover" paradoxically. These gigantic fatal vices are *not* hidden, actually, and yet, we don't see them, because we don't recognize them for what they are. We are totally *oblivious* to what they are *doing* to us.

First, what was it, specifically, that caused the fall of ancient Rome?

The acknowledged authority on the history of that period is Edward Gibbon, the famous historian of 165 years ago. His famous textbook, *The Decline and Fall of The Roman Empire*, is the standard recognized authority. Gibbon lists five chief reasons for the fall of Rome. You probably never read them, but you would think he was writing a description of America *today*, if you did.

These five specific causes for the fall of Rome are the five outstanding characteristics of American life today. It's

time we wake up and take a look at them.

### The Number ONE Vice

FIRST, there was the rapid INCREASE IN DIVORCE, homes being broken up. Look at America today! Here are the actual figures: In 1890 there was one divorce for every 18 marriages. But the divorce rate began to rise. Twenty years later, by 1910, we were having one divorce to every eleven marriages. By 1930, the divorce rate in America had risen to one in every six, and by 1945, this tragedy of divorce had skyrocketed to *one divorce out of every THREE AND ONE-HALF MARRIAGES!* That was the year that the *war* ended, and a lot of hasty marriages ended the same year.

Since, the rate has leveled off in a fairly constant one in every four, with more divorces, of course, in the metropolitan areas. In some, it's at least one in three.

Do you realize that the HOME is the very foundation of any society, and when our homes are being broken up, the very foundation is crumbling away beneath us. *The United States is going the way of ancient Rome.*

### What TAXES Are Doing to YOU

SECOND, just before Rome collapsed, there was a rapid INCREASE IN TAXES. Rome had grown fat and pros-

perous; and people sought leisure, less work, more play, idleness, and as they shirked work, they began looking to the government to provide. Today, we call it doles, relief, pensions, and government aid. When any nation begins to look to its government to provide, that nation is on a greased toboggan-slide to decay and to oblivion. It brought about the fall of Rome. It brought about the fall of proud Babylon long before. *And it's bringing about the fall of America today.*

NOW, LOOK AT US TODAY! Like Rome, we've grown fat and prosperous and lazy. We Americans are rolling in money. We have more money than any people ever had. Money has come SO EASY! Too many of us are trying to get it the easy way with less work. Business is raising prices. Labour demands shorter hours, more pay.

Yes, we've grown prosperous and lazy. We've started on the way of ancient Rome, seeking government aid, relief, pensions. We're looking to the *government* to take care of us, and just like that of ancient Rome, our government has grown TOO BIG, and we've had a *rapid increase in taxes.*

### What Are the Facts?

Brace yourself for a shock. How much money do you suppose it cost to run the United States government, through *all*

of its history, from 1776 until 1933—that's from the very beginning of Washington's administration *until* the time of Franklin Roosevelt.

Well, the total cost in 167 years was \$112 billion. That is \$112 billion for that whole 167 years, Washington through Hoover, until Roosevelt.

Now hold yourself for a real shock.

### SEVEN TIMES AS MUCH!

In only 20 years of the New Deal and the Fair Deal, only two presidents spent \$776 billion as against only \$112 billion for ALL of the other presidents COMBINED in the entire history of the United States—almost *seven* times as much as *all previous presidents* COMBINED, beginning with George Washington. Now THINK of that! That's \$776 thousand million spent in 20 short years.

Now the *tax rate* per person—the TAXES you pay—has multiplied, too! How much do you *suppose* taxes have multiplied *just since 1933*? Do you suppose they've doubled—multiplied 4 times over? Oh MUCH more than that! Ten times over? would you say? a hundred times over? a thousand times over since 1933? Do you think that's fantastic?

Does that sound *impossible*? It's *much more than that!*

### 1500 TIMES as Much!

YOUR taxes that you are *paying* have multiplied 1500 TIMES what they were in the year of 1933. If you were paying *one* dollar taxes then, you pay *1500* dollars now. For every dollar you paid then—as incredible as it sounds—the tax rate *per person today* is *1500 times* more than it was in 1933.

All government administration, from Washington through Hoover, spent \$112 billion. The Franklin Roosevelt administration in just 12 short years spent THREE TIMES that, or \$380 billion, and the Truman administration in only 8 years spent still more than Roosevelt's 12 years—\$396 billion! That's what our government is spending! *The United States is going the way of Rome.*

### The CRAZE for Pleasure

The THIRD major cause of Rome's downfall listed by this very famous historian, the acknowledged authority, was the MAD CRAZE FOR PLEASURE. Sports became yearly more *exciting*, and more *brutal*.

We need to have this brought home to us so we really see it, really realize it, and really understand where it's leading America today. Today, instead of participating in healthy games ourselves, we like to take our sports sitting down, while we pay others to amuse us and to excite us by playing the game for us.

Football is a big national sport. It's a pretty rough game. From 70,000 to more than 100,000 people crowd into the stadiums practically every Saturday in the fall seasons, at the major games at least.

Millions of Americans love to watch prizefights, to see men slug, pummel, and injure one another. The victor is the one who inflicts the greatest *damage*, who is the most *destructive*—NOT the one who *helps* the most, who *serves* the best in a constructive way. Today, 30 to 50 million people enjoy this brutal sport every week in front of their television screens in their own living rooms.

One of the fastest of all sports is ice hockey. It's also rough, and often the players get into a fight with their clubs!

Yes, we like our sports *fast!* We like them exciting and we like them rough and brutal, just as Rome before her fall.

Millions seek exciting entertainment every night *sitting down*, in the *movies*, and another 60 or 70 million seek entertainment every night *seated* before their TV sets. They want exciting programs, programs that carry them *AWAY from the reality of life* off into the pleasing land of *make-believe*.

### Running AWAY from Life

But you don't make life happy, full, ABUNDANT, by running away from life and its problems and its realities!

The Creator intended life to be PLEASANT, INTERESTING, FILLED WITH JOY. He set inexorable laws in motion to make that peace and that happiness the true reality of life, if instead of seeking escape from reality, we would face it, and if we would seek the Eternal our Creator and live by His living laws. But instead of that, we seek to satisfy our real *heart-hunger* in a whirl of material pleasures.

There still are a few kinds of pleasures and excitement, however, that America likes to take *standing up!* Hundreds of thousands go dancing every night, and especially among the younger set. Dancing, too, tends to become faster and more exciting.

And *gambling* is on the increase. One of the fastest growing cities in America is Las Vegas where gambling is legal. It runs wide open all night—24 hours around the clock, 7 days a week.

Sometimes, a man or a woman loses a fortune in just a few hours, desperately trying to win a few hundred or thousand dollars without earning it. There you can see roulette wheels, crap tables and other forms of gambling. There is a portion of America *going the way of Rome!*

And, *let's face it!* Millions MORE would be at the gambling tables if it were legalized in other states, and yet, a lot of this sort of thing is going on *secretly* UNDER COVER, and behind closed

and guarded doors, if you know where to find it.

Yes, America is a pleasure-mad nation today. We're the WEALTHIEST, as compared to any other nation, and we are fast growing LAZY and SOFT, seeking luxury and pleasure, and excitement, idleness and ease, labour-saving, step-saving devices and gadgets. They are in top demand. We seek shorter hours, we want bigger wages. We want bigger profits. We want EASY MONEY, but we are losing the true values of life. We are fast disintegrating, and we're going the way of Rome to our downfall as a nation, and, apparently, we won't wake up until we hit the bottom of this fall with the most horrifying thud and crash that ever happened to any people!

### Do ARMAMENTS Save a Nation?

Now the FOURTH of these major causes of Rome's downfall, as listed by this number one historian of that era, was the building up of GIGANTIC ARMAMENTS when the REAL ENEMY WAS THE DECADENCE OF THE PEOPLE FROM WITHIN.

In 1890 the United States spent less than \$60,000,000 on its military establishment. By 1910, 20 years later, we spent four and one-half times that much, \$280,000,000. But 8 years *after that*, by 1918, in World War I, we spent 6 thousand millions of dollars!

In 1945, in World War II, in that *one year*, we spent 80½ thousand million dollars on war! And today, in a so-called peace time, we are spending 45 thousand millions of dollars EVERY YEAR. That's 45 billion dollars! Your mind doesn't grasp that, because that's more money than you could conceive.

Ancient Rome was a "piker" in building up gigantic armaments! I wonder what an ancient Roman would think if he could come to life and see some of our armaments today? You might not call the new jet planes gigantic in size, but they are gigantic in *speed*, and the atomic missiles they can drop are SUPER GIGANTIC!

What these can do was strikingly demonstrated in the war games held by the army and the air force throughout 12 Southern states in the late autumn of 1955. These were the largest United States military maneuvers since World War II. They tested the new radar warning system, and the tests showed that they would have only 17 minutes of warning if enemy jets came in on a surprise invasion—*just 17 minutes of warning*—think of that! That's all we would have. In this simulated practice invasion the *attacking force in the next 23 minutes* (not hours, but 23 minutes) dropped what *represented* 4 hundred thousand tons of TNT, by light jet bombers, jet *atomic* bombers. And this

massive blow in 40 minutes time after the radar gave the first warning represented the *same amount of explosive power as was delivered in 250 thousand sorties in three years* in the Korean war—our latest war when we had the most modern equipment.

*Is that frightful?* Yes, but notice! This demonstrated that in the flash of 40 minutes after the first radar warning HALF of the entire United States striking force in the entire area—and *that's 12 southern states*—would have been knocked out, and 80% of its known air bases destroyed. That's a sample of the danger that you live in, THIS VERY MINUTE!

Soon even jet planes will be obsolete. WITH ROCKETS, our scientists tell us that they will soon be flying to the moon or to Mars inside of 25 years. But, of course, the most gigantic of all armaments of total destructive power so far is the ATOMIC and the HYDROGEN bomb.

#### A Nation of CRIMINALS

We're living in fearful and terrifying times. But as it was in Rome of old, *our real enemy is the decadence of our own people WITHIN!*

Not many of us have degenerated into

derelics, *yet*, but we're certainly on our way, and we don't realize it. Most cities today have a skid row.

Not all of us are criminals, but a *larger percentage are becoming criminals EVERY YEAR.*

ARE we *deteriorating?* So many people seem to *doubt* it! A lot of people *won't believe* it. We don't seem to realize the facts. WE CAN'T BUILD PRISONS FAST ENOUGH! Our prisons are filled to overflowing. We have prison riots. We have strife between management and labour, with RIOTING during strikes!

Our hospitals are overflowing! Today, there are more patients in MENTAL hospitals than in any other kind of hospitals! And the forecast for 10 years from now in a national magazine article, is that, while we will be getting into the fantastic push-button age, now being designed by science and industry, EVERY TENTH CHILD IN TEN YEARS WILL BECOME A MENTAL PATIENT! THINK OF THAT!

We are a nation of criminals, and we don't realize it.

Last year saw another 5% increase in crime, the *seventh consecutive year of increase* in major crimes. Last year, there

were 2,267,000 major offenses. Just think of that!

Do you realize that there is a *major crime every FOURTEEN SECONDS* in our country? Actually, whether you realize it or not, hundreds of major crimes have been committed *since you began reading this article!* Crime has grown much greater *proportionately* than our population.

In 1954 there were 34 murders every day. And 256 other felonious assaults, 49 rapes, 3674 larcenies, 529 cars stolen, 1422 burglaries daily. THAT'S EVERY DAY! Do you call that decadence? Is that deterioration in our nation? Read the hard cold facts given out by J. Edgar Hoover, head of the FBI:

People spend eight times more hours at movies than they do at Sunday School. *Fifteen million* sex magazines are circulated monthly, mostly in the hands of teenagers, to stimulate lust and immorality. More *bar maids* exist in the United States *than college girls.* There are one million illegitimate babies born annually in America. One million girls have venereal disease. Three times as many criminals exist in the United States as college students! Is that enough?

# U.S.A. Riding to TOTAL COLLAPSE

(Continued from page 3)

## Why WAR Is Coming

Maybe you don't believe it when you read in Jeremiah in the 30th chapter and the 14th verse where God says this: "All thy lovers,"— that's King James English for "your allies"—we've been making many allies thinking that we could rely on them—"All your allies," let's read it that way, "have forgotten thee. They seek thee not. For I," God says, "have wounded thee with the wound of an *enemy*, with the chastisement of a cruel one, FOR THE MULTITUDE OF THINE INIQUITY." Why? "BECAUSE THY SINS WERE INCREASED!" We don't believe our SINS have increased! But they have!

There is more crime in the United States than in any other nation now on the face of this earth, or more crime than has ever existed in any nation in the history of this world. It's about time we wake up!

## The DECAY of RELIGION

The fifth and the FINAL major cause for the collapse of Rome was the decay of true religion. Religion was becoming more popular, but fading into a mere form, losing touch with life and with God, becoming impotent to guide the people.

Here of all places, America is DECEIVED TODAY! We've been having a popular upsurge of religious interest, that's true. Church attendance is at an all time high, but just as your Bible foretold, there has come a great falling away from the truth of God, and from OBEDIENCE TO GOD.

These are the days that you will find described in your Bible in II Timothy 3:1-5. "Know this also, that in the last days, perilous times shall come, for men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy"—and it continues to mention many other kinds of transgressions of God's Ten Commandments—and in the 5th verse, "having a FORM of godliness,"—yes, we attend church, we sit there sanctimoniously for an hour on Sunday, "having a form of godliness, but denying the power thereof. From such," says God, "TURN AWAY!"

Yes, we have much of the form of religion, but almost NONE of the real POWER OF GOD in our private lives—in our national life. We have an EMPTY

FORM of religion, but our sins—our crimes—are FAST INCREASING!

Now maybe you don't believe it, when you read in Ezekiel 5:12: "A third part of thee shall die with the pestilence, and with the famine." This is a prophecy for America!

Even the assistant chief of the Weather Bureau at Washington is telling us that there is going to be a devastating drought, a great national drought in less than 20 years! Bible prophecy says it's going to happen even sooner than that. Notice!

"A third part of thee shall die with the pestilence, and the famine shall they be consumed in the midst of thee, and a third part shall fall by the sword round about thee, and," God says, "I will scatter the third part," that is the remaining third, of course, "to the winds and draw out a sword after them."

Next, notice the 6th chapter and the sixth verse. "In ALL your dwelling places, the cities shall be laid waste." That could not have happened in all of our cities until NOW, because it couldn't have happened until our enemies had the hydrogen bomb!

We have been told that it is now possible to lay waste the entire North American Continent overnight. The Russians have the hydrogen bomb! You don't know WHEN it might come!

## Prophesied to HAPPEN

I've shown you from the very word of God what is next coming in prophesied events—the famine, the disease epidemic to be followed almost immediately by World War III! It's prophesied for 15 to 20 years or less.

Now notice Jeremiah 30, again, and verse 11. God says, telling that this is all going to happen to us, that we are going to be scattered in an invasion: "But I," He says, "will CORRECT thee in measure, and will NOT leave thee altogether unpunished." Now that's just a verse or two ahead of where He says, "because OUR SINS HAVE INCREASED!"

God help you to heed. THE HANDWRITING IS ON THE WALL OF AMERICA, NOW!

You are living in the very END of this world, but soon God Almighty is going to step in and intervene to SAVE humanity from committing suicide—yes, the suicide of the human race—and to usher in the happy WORLD TOMORROW!

# Western Alliance in TROUBLE

(Continued from page 9)

We have no effective propaganda or talking point. We have no real faith in democracy—no real goal to inspire our allies.

Instead, we have lost our moral and spiritual strength. We are content just to "coexist" with Communism, and with our own sins—hoping that the worst will not happen—hoping that the trend of events in the world against us will somehow change. Stubbornly, blindly, we still hope to buy peace with dollars.

When will we wake up?

## America Decays Within

The obvious decay of America is in its collective character and ideals. The growth of crime and violence, the increase in divorces and broken homes, and the shocking disrespect for society and all constituted authority—all these are indicators of a nation that is in serious trouble within.

But the corrosion and decay of our moral principles in the international arena have largely gone unnoticed by the American people. A sage pronouncement on this condition was made in a speech recently by George Meany, president of the newly merged AFL and CIO labor unions. Study his words carefully:

"Too many in the free world seem to have lost their capacity for moral indignation against the most brutal inhumanities when they are perpetrated by Communists. It is painful, but we must face the cruel facts of life."

Yes, America and Britain have now come to the point where "peace at any price" is the popular sentiment. No longer do we stand for something—we are just plain fearful.

Not too many months ago, Red China was labeled by Britain, America, and the United Nations as the real international gangster nation which engineered the Korean war. Over 33,000 American young men were slaughtered in that needless conflict. And no peace papers have as yet been signed by the United Nations and the "outlaw" Red China regime.

But at this moment it seems almost certain that the British and American leaders are going to let this murderous outlaw regime—the regime which was officially declared the aggressor in the Korean war—we are now going to let this regime come into the United Nations!

And, remember, Red China is still officially (and in fact) AT WAR with the United Nations!

In these matters a new vocabulary is

# THE MILLENNIUM...

## *Fact or Fiction?*

**We bring you here, in print, the full text of the recent Coast-to-Coast Telecast on this vital subject.**

**by Herbert W. Armstrong**

**T**HIS WORLD is changing fast. What would Abraham Lincoln think, or, even later, Queen Victoria, if they could see our world today?

Science and industry are working feverishly to usher in the fantastic push-button world that they promise by 1975.

Today, we begin to hear increasing talk about a millennium—and it's *no fiction*.

### **WHERE Are We Headed?**

Now I have before me a clipping out of a magazine that I was reading on a non-stop flight from Chicago to Los Angeles not so long ago. It's intended to be funny, but it set me to thinking. The caption is, "The Millennium." Here is what it says:

"A poor farm has been shut down because of the shortage of inmates." Here is another part: "A light and power company asked the state's Public Service Commission for permission to reduce its rates about 15%."

That is a common conception of a *millennium*.

But here is even a better one: "The United States Post Office Department has purchased 20,000 ballpoint pens to be installed in post offices." If you have had the experience I have had with cloggy thick ink, and the worn out, scratchy old pens in post offices, maybe you would think that *would be a millennium!*

But the truth is much more serious than that. Take a look at what is happening today. We're witnessing a spurt in the development of modern science, technology, inventive genius, and of industry such as never occurred before in history. American industry has grown to *tremendous* proportions.

We have made this **THE MACHINE AGE**. There has never been anything like it in the world's history. Our mass-assembly line production is the marvel of the world. But where is it leading? Is all of *this* leading to utopia? to the millennium?

Is *man* really bringing about a *millennium*? Is all this bringing us *happiness* and *peace*?

I once knew a country doctor who was also quite a philosopher. He startled me by saying that every particle of God's creation that man has ever put his hands on, he has ruined or perverted, or turned into a wrong use.

I didn't believe him then. It just **SEEMED IMPOSSIBLE!** But the longer I live—the more I have observed, the more it appears to me that he was right.

### **TODAY—**

*Today*, we are in a transition out of the machine age **INTO THE ATOMIC AGE!** But what do we do with these new forces we produce? Man invents motor cars and trucks, and he then begins to make *tanks*. Man invents the steam ship, and soon, he turns it into a *warship*. Man invents airplanes, and he turns them into *warplanes*.

And *today*, in this atomic age, we find ourselves a divided world in a race to see *which* power can produce and invent engines of destruction capable of *laying waste an ENTIRE CONTINENT—BEFORE an enemy wipes us off the map.*

*Today*, world famous scientists tell us that it is becoming possible to *annihilate* human life from off the face of this planet. *Today*, we find ourselves in the throes of world revolution, though many of us don't *realize* that fact.

*Today*, we have **MAD** men in seats of irresponsible power with vast armies and with the terrifying **HYDROGEN BOMB** in their possession.

*Today*, while modern industry is working on a peaceful pushbutton world that they hope is coming, we're facing a *revolution in the weather*. Do you know what **THAT** means? What one factor more than any other controls the economy of a nation? The answer is the weather, believe it or not!

All production, everything that we use or consume in our economy comes out of the ground. Material **LIFE** *grows* out of the ground. It requires both rain and sunshine. Yes, the weather has more to do with our prosperity than perhaps we realize. And when Assistant Chief of the nation's Weather Bureau, Mr. Tannahill, tells this nation that he is worried

about the coming **TOTAL DROUGHT** of 1975, and when prophecy tells us that it's coming *sooner* than that, then it's time that we realize we are headed in less than 20 short years for the **biggest** economic "bust" any nation ever had.

*Today*, *all nature* is beginning to shake with *convulsions*, preparatory to the mightiest events of earth's history.

*Today*, we are being hurled straight into the **CATASTROPHIC END** of this present world. Today, we're in the very crisis at the **CLOSE** of this age. **BUT, WE ARE ALSO BEING HURLED INTO THE DAWN OF THE HAPPY, PEACEFUL, PROSPEROUS WORLD TOMORROW!**

A **MILLENNIUM** *is coming*, but not in the way that men think. It isn't a millennium that **MEN** are going to be able to produce.

### **Behind the Scenes**

There is a meaning behind today's chaotic world events, and it's time that we wake up to what it all means.

There is only one source of understanding, and that's the source that almost everyone neglects—**THE BIBLE**. Yes, the world's best seller, and also the world's least understood book.

Most of you have never understood the Bible. Nearly everybody says, "Well, I just can't understand the Bible." And yet it's the *only* source of *understanding* **WORLD CONDITIONS** — of **KNOWING** *what's coming in YOUR life!* It explains the meaning of all this fast-mounting crescendo of *revolution*, of *crime*, this *march of science*, this coming **WORLD CATAclysm!**

It tells **WHY**, and it tells *the outcome*. It tells of the **REAL MILLENNIUM** that is going to *follow!* This is more important than anything in your life. Let's understand this.

### **Man Must CHOOSE**

I have explained before that **GOD** is the Creator. Almighty God is the Creator not only of the static matter and of the material things you see, but of force and energy, of every power, every energy, every law that operates. And God con-

trols and rules over the entire universe by these forces, these energies, these laws that He controls.

When God put man on this earth, He also established the principle of free moral agency. He said to our first parents, "CHOOSE." He said to ancient Israel, "I set before you *life and death*—on the ONE hand, *peace*, and *blessings* and *eternal life*; and on the OTHER hand, *curses* and *death*," and He said for man to *choose*.

Our first parents and all mankind after them have chosen *rebellion* against God. Somehow, the mind of man seems to believe that the ways of God are all wrong. Man thinks he knows a better way.

God, of necessity, *allows* this rebellion. The only way that we can come under the government of God and let *God rule* our lives, our economy, yes, our society, and enjoy the blessings of that rule, is to do it *VOLUNTARILY*. We can only be governed by God if we *CHOOSE* to be governed by God. Otherwise, God Almighty allows us to reject Him, to reject His laws, to reject His government, to set up our own type of society.

### The Day of Man

We live in the *END* of *THE DAY OF MAN*! God has set aside 6,000 years to allow man to be a free moral agent, to allow him to resist the laws of God—to defy God, and to set up *his own* society upon this earth.

But *now*, in perhaps only another 20 years, we're going to come to *the day of the Eternal*, a 1000-year day of the Eternal. We're now almost at the *END* of the 6000-year day of man!

We're coming to the time when world-famous scientists tell us that soon it will be possible to wipe human life from off the face of this planet.

Do you realize that Jesus Christ said that same thing 1900 years ago? Today, world famous scientists tell us that the only hope of preventing that is *WORLD GOVERNMENT*. Unless we can have world government in the *very near future*, there will not be a human life left on this planet. Jesus Christ also said that same thing 1900 years ago. He said in Matthew 24:21-22:

"Then shall be *GREAT TRIBULATION*." That's a time of world upheaval, a time of world revolution, of world chaos such as the world has never known before. He said, "great tribulation *such as was not from the beginning of the world to this time*, no nor ever shall be. And except those days should be shortened, there should no flesh be saved alive." The word "alive" you will find in the Moffatt translation. "Except those days should be shortened, there should no flesh be saved *alive*." But, He said, "For the elect's sake, those days *shall be shortened*."

God Almighty is going to intervene, and that is precisely what Jesus Christ foretold. *MAN* is not going to be able to bring about the millennium. It's going to take the divine *SUPERNATURAL INTERVENTION OF ALMIGHTY GOD!*

Jesus also said in the 14th chapter of John and the 3rd verse—when He was still on this earth 1900 years ago—that He was going away, that He was going to heaven; but He concluded:

"If I go and prepare a place for you, I will *COME AGAIN* and receive you unto myself. That where I am," when He comes, to *EARTH*, again, "*there ye may be also*."

*WHY DID Christ come?* He came, first of all to challenge Satan the Devil, to unseat him, and to *qualify* to rule this world. He came to proclaim a *message*, and He came to call out and to train disciples. He also came to bear the sins of the world.

But He said He was coming again. Now *why* is He coming again?

### Why the Second Coming of Christ?

Jesus is coming again *TO RESTORE*—to restore the *RULE OF GOD* on this earth.

Notice in Acts 3:20-21, Peter said—and he was thrown in prison for saying this: "And God the Father, God Almighty, shall *SEND* Jesus Christ which before was preached unto you, whom the heaven must receive until the times of restitution of all things which God hath spoken of by the mouth of all of the holy prophets since the world began." The heavens *have* received Jesus Christ *UNTIL* the times of *restitution* of all things.

The second coming of Christ is pictured in the nineteenth chapter of Revelation. It's in symbolic language. John is recording the things he saw in vision. Beginning with the 11th verse, John says, "I saw [of course, *in vision*] heaven opened, and behold a white horse, and He that sat on him was called Faithful and True." This is a picture of Jesus Christ. "And *IN RIGHTEOUSNESS*, He doth judge and make war." If we only had that kind of government upon the earth today, then we might have a *millennium*.

"His eyes were as a flame of fire, and on His head were many crowns, and He had a name written that no man knew, but He himself. And He was clothed with a vesture dipped in blood, and His name is called the Word of God." That is always applied to Christ.

"And the armies which were in heaven, followed Him upon white horses," and those armies, you will find in Matthew 25 are all the holy angels—*more powerful than MEN*, "clothed in white linen, white and clean"—that's the symbol of *righteousness*. "And out of His

mouth goeth a sharp sword that with it He should smite the nations." Not a physical sword of steel, but the sword, as other scriptures explain, *the WORD OF GOD, the Bible—the words of the Bible*.

Jesus is the *living* Word of God, and the Bible is the *written* Word of God.

"And He shall *rule* them," that is, all of the nations of the earth, "He shall rule them with a rod of iron." It mentions, also, that He had on His vesture and on His thigh a name written, *King of kings*, and *Lord of lords*." That means a *world ruler*, king of kings, king over ALL the kings of *all* the world.

### For 1000 Years

Notice parts of Revelation 20:1-6. John wrote: "I saw [that is, *in vision*] *THRONES*, and they sat upon them, and judgment was given unto them, and I saw the souls of them that were beheaded for the witness of Jesus, and for the Word of God, and which had not worshipped the beast, neither his image, nor had received his mark upon their foreheads and in their hands, and *they lived*, and *reigned with Christ A THOUSAND YEARS*." This is speaking of a *resurrection* of those that have been dead, of those who were the saints in Christ.

And in the 6th verse it says that "they shall be *priests* of God and of Christ, and *they shall reign with Him a thousand years*." It says they're going to *reign* with Him when He comes to rule the world and to set up *WORLD GOVERNMENT, divine supernatural WORLD GOVERNMENT!*

The saints are going to be changed to immortality at that time. It will *not* be the government of *man!* It will be *the government of God!*

Why are *some* people *now* being called by God to be converted at this time? Many are predestined to be called *now*. Do you know *WHY*?

In Revelation 3:21 you find the whole thing explained. Jesus said, "To Him that overcometh," He didn't say to him that just has an *empty faith*, that just says, "I profess Christ," but *doesn't do anything* about it—you have to do something about it—He said, "To Him that *OVERCOMETH*, will I grant to sit with me in my throne" when He rules this world, "even as I also overcame, and am set down with my Father in His throne." Turn to Rev. 2:26, and here is Christ speaking again. He says:

"He that overcometh"—there's some overcoming to do in the *Christian life*—"and keepeth my works unto the end"—there you have *works*, though many today try to tell you that there are "*no works*" to a Christian life—the one who keeps HIS works unto the end, "*to him* will I give *POWER OVER THE NATIONS*, and He *shall RULE THEM* with a rod of iron."

There you have it! In I Corinthians 6:2 the apostle Paul said to the saints, the Christians at Corinth: "Do you not know that the saints shall judge the world, and if the world shall be judged by you, are you unworthy to judge the smallest matters?"

The saints are to JUDGE THE WORLD! Why do so few understand this?

Even the *religious world* has LOST the message of Christ. It has LOST the purpose of God. It has LOST the plan of God. I want you to notice it! In II Peter 3:8 you read that God has set aside a 6000 year period in which He has allowed man to do as man has pleased: "But Beloved, be not ignorant of this one thing, that one day is with the Lord as 1000 years, and 1000 years as ONE day."

### The Example of Creation Week

Now he is using here the idea of the original six days of re-creation, and then the one Sabbath day of rest. The six days of creation, then, are merely a type and a figure of the 6,000-year days that God has set aside for man in which He has made man a free moral agent, in which He allows man to resist Him, and to resist His government, His ways, His laws—to set up MAN'S OWN society upon this earth.

This world IS NOT GOD'S WORLD! Have you thought it was? Oh, NO! This world is not run God's way. THIS is MAN'S world. This is the day of man, and now the seventh thousand years—the promised Sabbath millennium—is about to dawn.

That will be the REAL MILLENNIUM. That is going to be a real utopia. We SHOULD have it. Is there any reason why we SHOULDN'T have utopia?

God has allowed this 6000 years for man to learn A LESSON, by experience. We haven't learned it yet, but we've written that lesson, in human suffering and anguish.

"And to this agree the words of the prophets, as it is written, after this, I will return and build again the tabernacle of David which is fallen down," we find in Acts 15:17.

Now remember, a tabernacle is a place of worship. This verse, then, indicates a TIME OF SALVATION. "After this, I will return and build again the tabernacle"—or place of salvation or worship of David "which is fallen down, and I will build again the ruins thereof and set it up that the residue of men"—that's the remainder of mankind—"might seek after the Lord, and all the Gentiles upon whom my name is called, saith the Lord, who doeth all these things. Known to God are all His works from the beginning of the world." And it could be known to all of us, if we would only understand the Bible.

### A Blinded World!

Consider ISRAEL—they are mostly *spiritually blinded* at this time. And GOD has blinded them. I wonder if you realize that? That's all given in the 11th chapter of Romans. Do you ever read this wonderful 11th chapter of Romans? Paul says here in the first two verses:

"Has God cast away His people," speaking of Israel. "God forbid! God has not cast away His people whom He foreknew." But then, He goes on to show that they have become blinded. He says, "What then? Israel hath not obtained that which he seeketh for, but the election [those called now] hath obtained it"—just a *small portion* compared to the FEW that had NOT bowed the knee to Baal back in Elijah's time—which was one out of several hundred. And the rest were blinded. It's speaking spiritually—of spiritual blindness. Did they blind themselves?

Notice: "According as it is written, GOD hath given them the spirit of slumber, eyes that they should not see, ears that they should not hear unto this day."

But does that mean that they are lost, and lost forever? He just said NOT! Turn to the 25th verse, and you will get the answer. "For he said, I would not brethren that you should be ignorant of this mystery, lest you be wise in your own conceits; that blindness in part," or to part, "is happened to Israel until the fulness of the Gentiles be come in"—only until a certain time! They're not permanently lost—not permanently blinded. And so he says here, "ALL ISRAEL SHALL BE SAVED. As it is written, there shall come out of Zion the deliverer, and shall turn away ungodliness from Jacob." That is at the second coming of Christ. That is one of the reasons that Jesus Christ is coming—to turn away ungodliness from Israel.

### What About the Gentiles?

Turn to Isaiah 66:16 where you notice this: "For behold, the Lord will come with fire, and with His Chariots like a whirlwind to render His anger with fury, and His rebuke with flames of fire." Now notice the 19th and the 20th verses:

"And I will set a sign among them, and I will send them that escape of them unto the nations to Tarsus, to Pul, to Lud, that draw the bow, to Tubal, to Javan, the islands afar off, that have not heard my fame." In other words, the heathen, the Gentiles. Many of them have never heard the name of Jesus Christ—"that have never heard my fame, neither have seen my glory, and they shall declare my glory among the Gentiles."

I don't think you've heard much of that part of your Bible, but that's in your

Bible. When Christ comes, He is coming to turn away ungodliness from Israel, and from Judah. He is coming to save all Israel from their enemies and He's coming in order that the Gentiles that have never heard His name may hear it!

When He comes, is the world just going to receive Him with open arms? as the Saviour? as the Messiah to bring us world peace? Are they going to rejoice in His coming?

No, they are not! Most of the world is going to fight Christ at His coming.

You find them described in the 17th chapter of Revelation.

### A Time of War FIRST

"These shall make war with the Lamb"—that is Christ at His second coming—"and the Lamb shall overcome them, for He is Lord of lords and King of kings" (Rev. 17:14). Jesus Christ will never be the Lord of lords, the King of kings until His second coming. He is now the High Priest up in heaven. Do you know what He is doing, now? You should read the book of Hebrews and see what Christ is doing right now.

When Christ comes, He is coming in supernatural power. So, He is going to put down these forces that will rebel against Him.

Read the picture of the millennium, in Micah the 4th chapter, the first three verses. "But in the last days, it shall come to pass that the mountain of the Lord," which is the Kingdom of God, "will be established in the top of all the nations." Many nations will come and say, "Come, let us go up to the Kingdom of God"—the mountain of the Lord—"and to the house of the God of Jacob, and He will teach us His ways."

The only reason we don't have WORLD PEACE now is that we're going man's ways, and not GOD'S ways. THEN, they are going to want God's ways; they are going to seek them. "And we will walk in His paths, and the law"—the law of God, God's rule, God's government—"shall go forth from Zion, and the Word of the Eternal from Jerusalem, and He"—that's Christ, at His second coming—"shall judge among many people, and rebuke strong nations afar off till they beat their swords into plowshares, their spears into pruninghooks; nation shall not lift up sword against nation, neither shall they learn war anymore."

That's a time of world peace! That's the time of the millennium, and it's going to be a happy time.

### What's Wrong with PEACE?

I want you to notice Isaiah 11. This is the companion chapter with Romans 11. Notice just quickly the 3rd and 4th verses, speaking of Christ at His second coming. "He shall not judge after the

sight of His eyes, neither reprove after the hearing of His ears." He isn't going to judge the world in His ruling, according to *hearsay*, and *circumstantial* evidence, and the type of thing that we use today, "but with *righteousness* shall He judge the poor, and reprove with *equity* the meek of the earth."

He has the power to know men's minds and to read their hearts.

And now, notice the 9th and 10th verses: "They will not hurt nor destroy in all my holy mountain, for the earth shall be full of the knowledge of the Eternal." Notice that. The earth is going to be FULL of the knowledge of God. In our educational institutions today, God has not been retained *in their knowledge*. Not very much of the truth is disseminated.

"And in that day, there shall be a root of Jesse, and it shall stand for an ensign of the people, and *to it shall the Gentiles seek*." Christ is the root of Jesse. Jesse was the Father of David, and Jesus Christ was the Maker of all things. All things were made by Him, as you read in the first chapter of John. He is, therefore, the root of Jesse, the Father of David.

To him, when He returns at His second coming, will *the Gentiles* seek.

"In that day, the Lord set His hand again *the second time* to recover the remnant of His people"—Israel!

But did you notice the 6th verse? At that time, "the wolf shall dwell with the lamb, and the leopard shall lie down with the kid, and the calf, and the young

lion and the fatling together, and a little child shall lead them."

Yes, THE MILLENNIUM IS COMING, the World Tomorrow. It's a different world—it's The WORLD TOMORROW.

#### What's Wrong with Today's World?

Now what's wrong with the world *today*? Just one thing. *Rebellion* against *the law* and *the rule of God*. God does rule the entire universe, but in His rule He has ruled that man must choose. He has allowed man to rebel. Look what we've brought upon ourselves. Look at the *unhappiness*, the *suffering*, the *sorrow*, the *heartaches*, the *headaches*, in this world today.

GOD rules this universe. God hasn't gone way off as some people seem to

GENIUS is only the power of making continuous efforts. The line between failure and success is so fine that we scarcely know when we pass it: so fine that we are often on the line and do not know it. How many a man has thrown up his hands at a time when a little more effort, a little more patience, would have achieved success. As the tide goes clear out, so it comes clear in. A little more persistence, a little more effort, and what seemed hopeless failure may turn to glorious success.

*There is no failure except in no longer trying.* There is no defeat except from within, no really unsurmountable barrier save our own inherent weakness of purpose.

think. He hasn't lost interest in this earth or in humanity. God has just *allowed* us to go *our own way*. That's all! God *rules for our own good*. Soon He's going to make us learn our lesson! That's the lesson that most of humanity *still has to learn*, but we have written it in human blood and sorrow, and suffering.

Now when God soon steps in and intervenes in world affairs and sends Jesus Christ *in all the power and the glory that upholds and sustains and rules this universe*, then all men shall learn the lesson that has been written in 6000 years of human suffering.

Yes, thank God THE MILLENNIUM is coming, mighty soon! The WORLD TOMORROW—*it's coming soon!*

#### WHY THE PLAIN TRUTH HAS NO SUBSCRIPTION PRICE

So many ask: "How can you publish a magazine, without subscription price, and without advertising?"

The answer is simple. The GOSPEL must go to the whole world, and it must go FREE. It must not be sold like merchandise. "Freely ye have received," Jesus said to His disciples whom He was sending to proclaim the Gospel, "Freely GIVE." Without money and without price, is God's way. We proclaim a FREE salvation. Therefore, we cannot put a PRICE upon the PLAIN TRUTH.

We have been called of God to conduct this work. It is not our work, but God's. We have set out to conduct God's work God's way. We rely, in FAITH, upon God's promises to supply every need.

God's way is the way of LOVE—and that is the way of giving, not getting. God expects every true child of His to GIVE of tithes and offerings that His work may go FREE—that His true ministers may GIVE the precious Gospel to others. We simply TRUST GOD to lay it on the minds and hearts of His people to give of their tithes and offerings that we may be enabled to GIVE the good things of God's Word to the hundreds of thousands who hear the Message over the air, and the scores of thousands who read The PLAIN TRUTH.

Many times our faith has been severely tried, but God has never failed us. We must not fail HIM!
