## LOOKING INTO THE NEXT FOUR YEARS AND NINE YEARS OF DECADE OF EIGHTIES

by

Herbert W. Armstrong

In Manila it is the morning of January 20th. Later today, noon EST, President Ronald Reagan will be sworn into office as President of the United States for the next four years. We have just started the second year of the decade of the eighties. WHAT LIES AHEAD, vital to us in God's Church in the next four to nine years?

Bible prophecy does not pinpoint precise dates--or even the precise year--of forecasted events.

During the late sixties, certain indications led me to envision the possibility--never the certainty--that the Work of the Philadelphia era of the Church might be completed by the first week in January, 1972. Never did I remotely believe that could be the time of Christ's return; the Great Tribulation, the Day of the Lord and other prophesied events had to occur after completion of our Work proclaiming Gospel Message, Law of God, repentance and fact of coming Kingdom of God. Nor did I set 1972 as definite date but only a possible date for completion of our commission. Yet some members totally misconstrued what I did say, and took it to mean definite date settings for end of this world and coming of Christ for the new World Tomorrow...I never did, and do not now set dates--even as to the year.

But there is an important prophecy in the tenth chapter of Revelation. The apostle John is recording what he saw revealed in a vision. An angel came with his hand lifted to heaven saying, "There should be time no longer"--or, better translated, "There shall be no more delay." Then a voice from heaven told John to take and open a very small book in the hand of the angel, and eat it. In his mouth it was sweet as honey, but in his stomach very bitter. Then the voice said to John, God's apostle, "Thou must prophesy (preach or announce) again before many peoples, and nations, and tongues, AND KINGS."

Now what is the TIME setting of this prophecy? It is sometime PRIOR to the sounding of the seventh trumpet, at which time Christ shall come. That is clear in verse 7. Also it is followed immediately by the three-and-a-half-year mission of the two witnesses. Their three and a half years BEGIN with the Great Tribulation. So the TIME of this prophecy is just shortly before the Work of the Philadelphia Church is finished. After that shall come the Great Tribulation, and the Day of Lord, when there shall be supernatural disturbances striking the world with astonishing AWE in the sky.

The Laodicean era of the Church shall rise OUT OF, through and in the latter part of the Great Tribulation. They shall be IN it, and turn to God out of and during it (Revelation 7:9-15). They come out of the Great Tribulation and are converted as a result of it, which will open their eyes to the fact that what the Philadelphian Church proclaims was true, although now, while we proclaim it, they are not heeding.

So Revelation 10 shows that when our Work appeared to be close to finished and there should be no more delay in God's intervention, God did hold up world events, and I was commissioned to NOW go with the Kingdom Message to many KINGS, or national leaders, or many nations, speaking different languages. That is what, as I now look back in retrospect, I have been doing since 1970 and especially since 1972. So perhaps our Work would have been completed by 1972, except for this special commission.

Now where are we in the time sequence of prophecies? More and more it becomes apparent that we are right at, or even very shortly past, the event of Revelation 12:7. This is an event in the end time, after the Middle Ages, pictured in verse 6. Verse 7 reveals a fierce battle in heaven. Once again Satan and his demons have swooped up to attack God on His throne--one last satanic try. Michael the archangel--same rank as former Lucifer, now Satan--is pictured with his angels fighting against Satan and his demons. As Lucifer and his angels tried to invade God's throne in heaven before the creation of man, so Satan has made this one last try to conquer GOD.

But Satan again was to lose this battle, and he and his demons were cast back to earth (verse 9). This was to occur just prior to the coming of Christ, the resurrection of saints to salvation and establishing the Kingdom of God on earth (verse 10). But those of God's Church are at this time to overcome Satan by the blood of Christ and the Word of God (verse 11); but because Satan knows he now has but a short time to defeat God on earth through God's Church, even after he failed in the heavenly war with Michael (verse 12), he was immediately to persecute THIS CHURCH (verse 13).

Previously, from the time of my conversion and baptism I have suffered persecution from men, though inspired by Satan--and so have many of you. But never before did Satan strike the CHURCH AS A BODY until the lawsuit launched against the Church January 3, 1979. It surely seems that fulfilled verse 13.

But our Work is not yet completed. This prophecy indicates it will be soon--and apparently during the decade of the eighties, if not during President Reagan's administration--though we cannot set definite dates. Yet WE SHOULD BE WARNED! We should realize our time for completion of Christ's Great Commission is now very short, and growing shorter daily.

The lawsuit apparently is behind us--not definitely certain until June 30. But I have warned you all, Satan is now FURIOUS. He is mighty. He is powerful, next to the power of GOD. He is subtle, clever and can deceive and outwit the best of us. He is HARD AT WORK AGAINST THE WHOLE CHURCH RIGHT NOW in ways you know not. But the Church NEEDS YOUR PRAYERS --even your most urgent, believing and faithful FASTING AND PRAYING!

Continue this prophecy. Next, when our Great Commission is in God's sight completed, we are to be taken--symbolically flown on the two wings of a great eagle--which could mean by a friendly government made friendly

to us by my contacts with heads of so many governments these past 12 years--we shall be taken to a place of protection from the Great Tribulation, which in itself is the furious wrath of a mad and infuriated Satan (verse 14). While we are in this place of safety three and a half years, the two witnesses shall be preaching to the whole world, protected from Satan. But Satan in his mad wrath will then make war with the REMNANT Church. This has to be the Laodicean era of the Church (verse 17).

Finally, what of the Laodicean era of God's Church? Remember, it, too, is GOD'S Church--having the commandments of God and Testimony or Word of Jesus (Revelation 12:17).

But that era of the Church is pictured in Matthew 25. Matthew 24 shows the sign Jesus gave prior to His coming to end the present world order, and the Great Tribulation, Day of the Lord and Second Coming.

Matthew 25 shows the time just before Christ shall return. It pictures the Laodicean Church as ten virgins who took their lamps (their Bibles) and went forth to meet Christ at His coming. But five of them--half of the Church--took their lamps (Bibles) but without oil to light the lamps (having the Holy Spirit to enlighten their minds to UNDERSTAND the Bible). Some translations render this into English indicating they were losing the Holy Spirit, because of negligence, lack of prayer, fellowship with the brethren and with God and Christ and being overcome with materialistic and worldly interest. Are some of us like that, even now?

While they--the backsliding half of the Church--were trying to get back closer to God, the coming of Christ shall take place, and the door into God's Kingdom will be SHUT in their faces! WHAT A TERRIBLE AND AWFUL TRAGEDY! It could happen to you or me.

Brethren, we're living in more terrible, troublous times than you realize.

Today, as a new President is inaugurated in Washington, also comes the news that my dear friend, Menachem Begin, Prime Minister of Israel, is being almost thrust out of office--his Government about to fall. There was to be a reelection in Israel in November, when Mr. Begin probably planned to retire anyway, because of serious heart trouble. But he has held his government in power only by the narrowest margin for the past several days, and now he has announced a new election in July instead of November. The last time I saw him, hardly two months ago, we parted with a bear hug. However, whoever is elected next prime minister is in all likelihood the man I also know well, and we still have many friends at and near the top in Israel. But DO NOT FOR A MOMENT GET TO THINKING TIME WILL JUST KEEP GOING ON AND ON. It won't! Satan knows how short time is. He is now striking at destroying THE CHURCH AS A WHOLE. I cannot reveal to you at the moment what Satan is up to now, BUT IT IS BIG, and we all need to be FASTING AND PRAYING as never before that God will restrain Satan.

I spoke to the Church at Honolulu on the way to Tokyo this trip. I talked privately with the Prime Minister, spoke the Gospel Message to a large banquet attended by 482 prestigious and high-ranking people of the nation in Tokyo, and also to a group of a hundred or more Japanese PLAIN TRUTH subscribers on the Sabbath afternoon we were there.

I have continued writing the full-page announcements for the WALL STREET JOURNAL while on the trip. Arriving in Manila, I was interviewed at a press conference at the airport on arrival. President Marcos has placed at my disposal a siren pilot car to go before my car wherever I go here, with motorcycle police also with sirens going along--sometimes ahead of us, sometimes beside my car. We go through heavy traffic rapidly. Sabbath I spoke to more than 1,000 of our members here. Yesterday morning I spoke for some 30 to 40 minutes to the student body and faculty of the Adamson University in a special convoked assembly held for me. Tonight I am to be principal speaker at a huge banquet of 750 of the Philippines' most distinguished citizens and several ambassadors from other countries. There are other luncheon club speeches, press meetings and television interviews scheduled. This Saturday night will be the first night of the BIG CAMPAIGN here. Meetings are planned with President Marcos, the First Lady his wife, and a dinner with the entire cabinet of the government. God is using me. BUT TIME IS NOW VERY SHORT.

This Work is launched on the GREATEST AND MOST POWERFUL THRUST FORWARD IN ITS 47 YEARS. NEVER have I and the whole Work needed your prayers and continued EXTRA financial backing as now. When home I am recording two TV programs a week and also two radio half hours. Our TV crew is here, and the meetings here will be telecast over the U.S. We are launched on the greatest PUSH FORWARD ever. PRAY! PRAY! PRAY!

With deep love, in Jesus' name,

Adult Basketball

Many U.S. churches have men's basketball teams playing neighboring churches. This has resulted in questions about health hazards and the need for standardized rules of play. We must remember that basketball is a very strenuous sport. Men who are not in top condition face real danger when they overextend themselves by playing in two or three games in one day. Even one game of college-style basketball can be too demanding for the average adult player. In fact, we have had some near misses already this season. Also, we in Pasadena vividly remember an untimely death on the softball field this past summer.

None of us would want to see or experience a tragedy such as a heart attack on the court, especially if it resulted even partially from carelessness on our part. After discussions with Jim Petty, Harry Sneider and others, we are recommending the following guidelines for adult basketball:

1. Encourage all men to get a physical exam before playing. Those not in shape should be cautioned.
2. College rules may be used except for time: the game should be divided into eight-minute quarters.

# A Voice Cries Out: What's Right about the World Tomorrow?

Three world views for tomorrow:  
Only one will become reality!

Appeared in the Wall Street Journal, Jan. 19, 1981

**T**ODAY, chaos, tomorrow, the world erupts into PEACE! Today, threat of human extinction. Tomorrow, UTOPIA grips the earth!

You don't have to believe it! It's as certain as the rising of tomorrow's sun!

Humanity won't bring it about! It is going to be done to us! People are going to be compelled to enjoy PEACE world-wide, to be happy, to experience universal ABUNDANCE! Utopia? Why not! Why should it be an imaginary or impossible pipe dream? Think about that! There's a CAUSE for today's apparently insolvable problems and unstoppable evils. It's a way of life—the way I simplify by the one word "GET."

What do world leaders expect? The two most widely held are divergent views. Paradoxically they point in opposite directions.

Many world leaders now expect—though they immediately put the thought out of mind—that nuclear and other means of mass destruction eventually—perhaps soon—will erase mankind from the face of the earth!

At least four other causes, beside nuclear annihilation, now for the first time in history make possible human extinction—and by the hand of MAN! Some point out that man has never yet invented a new means of greater mass destruction that has not been actually used!

Yet we all try to simply put that awesome possibility out of mind! Do we suppose that just not thinking about it,

HERBERT W. ARMSTRONG

and doing nothing about it, will automatically cause the threat to go away?

But a well-known philosopher and author, Aldous Huxley, said, "Most prophecy tends to oscillate between an extreme of gloom and the wildest optimism." Another set of seers thinks the world is destined soon to become a gigantic sort of fantasy land. The human race will find perpetual happiness playing with an endless assortment of ever more ingenious mechanical toys produced by science, technology and industry.

But these optimistic, glamorous predictions seem totally to exclude the stark reality that human happiness and well-being is a spiritual, not a physical or materialistic, condition. The near-future glamorous predictions overlook the additional snarls and problems their own predictions would bring! The overcrowded, snarled, enervating cosmopolitan life of this optimistic view is rather frightening!

But when we take a hard, cold, realistic view of conditions and trends, they point inevitably to a fast approaching WORLD CRISIS of combined nuclear war, starvation, uncontrollable disease

epidemics, continued escalating crime, violence, the population explosion—and human extinction!

YET NONE OF THESE IS GOING TO HAPPEN!

It is not fantasy or superstition but reality and FACT that before man annihilates mankind, that supreme-powered unseen "Strong Hand from Someplace" is going to intervene in this world's affairs.

Some world-known scientists have said our only hope, now, is for a super government ruling over all nations—with only its one military force. Man can't bring this about! But that "Unseen Power" CAN!—and before we destroy ourselves WILL! All our insolvable problems and evils are being CAUSED by a way of life I simplify by the word "GET." Mankind will be turned to the way of "GIVE"—outflowing LOVE toward God and man!

There shall, in actual fact, be a one-world GOVERNMENT. Human civilization won't bring it about. It will be done to us! Whether one believes it, doesn't matter. It's as certain as the rising of tomorrow's sun.

After we pass the supreme world crisis just ahead, there shall dawn the WONDERFUL WORLD TOMORROW! World PEACE, happiness, universal ABUNDANCE shall at last grip this earth. Utopia? Well, WHY NOT! It is our SURE HOPE!

# A Voice Cries Out: An Open Letter to President Reagan

## A Heartfelt Message of Encouragement

Appeared in the Wall Street Journal, Jan. 20, 1981

**M**R. PRESIDENT: You've assumed the most important office in the world on a landslide vote—a virtual mandate.

I know something of the stupendous problems with which you now must grapple. I have discussed world and national difficulties with heads of state on all continents. I know something of how difficult, knotty and often impossible of human solution are the conditions you now face—greater than those confronting any other head of state.

In late December the question blared forth in the media whether, on inauguration, you should declare an economic emergency. But, as you know, we are now deep in much more than an economic emergency. We're in a social emergency, a moral and spiritual emergency, foreign and international emergencies and the frightening LIFE-AND-DEATH emergency of human extinction. Never before since mankind inhabited the earth have weapons of mass destruction existed that can erase humanity from this planet. You have taken over the helm at a time when problems and troubles exceed in difficulty and complexity those faced by any President before you.

If ever a President needed the help of this great people he leads, it is now. Some are asking, can you turn the United States around? They look to problems of inflation, unemployment, energy, taxes, budget, business, defense. But those are materialistic problems. In the materialistic area we have fared better than we realize. This nation has

HERBERT W. ARMSTRONG

led the world in materialistic advancement. In fields of science and technology, business and industry, knowledge production (our educational system has become almost wholly materialistic), our progress has been awesome. We have sent men to the moon and safely returned them. We've sent unmanned spacecraft to send back mind-boggling close-up photographs of Jupiter, Saturn and the Martian surface. We've produced computers and the most marvelous instruments.

But we can't seem to solve troubles between husbands and wives, parents and children, groups and factions, nation and nation. Our nation is in trouble. The whole world is in trouble! And those troubles and evils, however we may characterize them, are spiritual in nature. In every case, it seems, the individual, the group, the faction, the nation, is seeking only self-interest. *It's all in the way we live!*

I've said repeatedly in these page messages there is an unseen spiritual LAW in relentless motion—the law I simplify by the term "GIVE." It's as inexorable as the law of gravity. Break it, and it breaks you! This nation has been breaking that law, and our beloved country is being broken by it! That law is A WAY OF LIFE—that of cooperating, helping, serving, sharing—of outflowing LOVE! But our people, and the whole world, are living the diametric opposite way transgressing that invisible spiri-

tual law—the way I term "GET." We've been actuated by self-centeredness, vanity, covetousness, envy, competition, hostility, violence, war.

The other day I had a personal meeting with Prime Minister Zenko Suzuki of Japan, in Tokyo. He recently called on the Japanese people to continue working hard, and to remain united to protect the peace and the democracy of Japan. Loyalty to country and faithful hard work on the job are spiritual values that are paying off in Japan.

It is vital that our beloved country remain loyal AND UNITED! Not divided in the home, in the factory, in the office. It took a war for Franklin D. Roosevelt to unite us in one common accord. We need desperately now to be united in PEACE—in what we can do for our country, not what it can do for us!

You, Mr. President, cannot of yourself solve this nation's problems and rid it of its evils. That can be done only if WE, THE PEOPLE, STAND BEHIND YOU not only, but CHANGE OUR WAY OF LIFE FROM "GET" to "GIVE."

During the campaign you mentioned that we are a nation founded under God. God is LOVE manifested! He set in relentless motion the spiritual LAW that will CAUSE peace, happiness, abundant well-being for all—if we, the people, will turn to it! THAT'S HOW THIS COUNTRY NEEDS TO BE TURNED AROUND. Lead us in that way, Mr. Reagan, and God help us to follow you in it. I, with countless others, shall be praying for you in that.
